

*From the Pastor's pen*

*Problems call forth our courage and wisdom, indeed they create our courage and wisdom. It is only because of our problems that we grow mentally and spiritually. It is through the pain of confronting and resolving problems that we learn.*

*I want you to know God never forgets and nothing passes by that He, God does not see.*

*I want to remind you that the footsteps that you see are not yours but that of Him who carries you.*

*May you find Peace and resolution as this year ends and a new year begins.*

*God Bless you.*
