CHRISTMAS

From the Pastor's pen

To all of our readers, web friends and supporters

For Our Communities.*

Hello,

I am Stanford Notice, Pastor of the New Testament Church of God in Chesterfield, Derbyshire, United Kingdom.

Thank you for your support in visiting our church and web site.

*The **value** which God has placed on our **life** is the price which He was willing to pay to save it.*

The true value of human life in God eyes is primary not secondary. Human life is precious and worth protecting and sustaining because of the value place upon it.

*Therefore the true value of human's life is found in the **good news of Jesus Christ**.*

*"In the beginning was the **Word**, and the **Word** was with **God**, and the word was **God** and the **Word** became flesh and dwelt among us, full of grace and truth,"*

*So do you **love** life? Then don't waste time; for **time** is the stuff that life is made of and the moment you run out of time, you run out of **life**.*

So as you celebrate, remember the true reason for Christmas. As you enjoy your gifts, and even if there is no gifts to receive, never forget that the greatest gift of all is already demonstrated through Christ.

*The most important thing to remember this Christmas is “the **value** which God has placed on your **life** is the price which He was willing to pay to save it”.*

Enjoy your festive season!
